Eichmann Protest Due
BUENOS AIRES, June 1
(AP)—Foreign Ministry Diogenes Taboada indicated last night that Argentina will file a formal protest to Israel if it is proved that Adolf Eichmann was kidnapped in Argentina. Eichmann, accused of major responsibility for the deaths of 6 million Jews, is being held in Israel. Israeli authorities have not said where or when he was seized, but informants here say he was seized by secret agents in Argentina last month and taken by plane to Israel.
