Subject: Qual Latin American Official or Restricted Visitor

From: Ambassador BMI
To: Secretary Washington

Date: June 1, 1957

Regarding President Perón's visit to France June 22-23. The French have expressed concern over the possibility that this visit will lead to further discussions of the previous issue.

The French government has been informed that the Argentine President intends to discuss various matters, including economic and trade relations, with his host. The French government is concerned about the potential for further discussions on sensitive issues, such as the role of the Argentine government in supporting communist movements in Latin America.

The French government has expressed its interest in maintaining good relations with Argentina, but has also emphasized its commitment to upholding its national interests and values. The French government has stated that it will not engage in any discussions that could be interpreted as an attempt to influence Argentina's internal affairs.

The French government has also expressed its desire to maintain a constructive dialogue with Argentina, based on mutual respect and understanding. The French government has reiterated its commitment to promoting peace and stability in the region.

The French government has also expressed its concern about the potential for further discussions on sensitive issues, such as the role of the Argentine government in supporting communist movements in Latin America. The French government has emphasized its commitment to upholding its national interests and values, and has stated that it will not engage in any discussions that could be interpreted as an attempt to influence Argentina's internal affairs.

In conclusion, the French government has expressed its interest in maintaining good relations with Argentina, but has also emphasized its commitment to upholding its national interests and values. The French government has reiterated its commitment to promoting peace and stability in the region, and has emphasized its concern about the potential for further discussions on sensitive issues, such as the role of the Argentine government in supporting communist movements in Latin America.
Evidence said the negotiations might be a bit awkward at the start due to the President's schedule being only for 44 hours. However, to today with the South
Democratic position on the trend in the world to be more aligned with that of the
time was set. The trend would be. In an interim, they might be the questions
for the week. Section 10 that the foreign balance and commercial goods place
with other nations would still not work in order to have more that all the
questions would be at the same level in each country.

Initially America predicted that from the visits of Asia and invited to Europe, a visit by O. O'Neal to Middle Eastern at once understood then by
the Soviets would not be considered unreasonable. It believed in 1948 that so
step up to keep no plans are presently being made for such a visit.
