ADOLF EICHMANN
INTERNAL SECURITY - ISRAEL

On August 4, 1960, an informant, who had furnished reliable information in the past, advised that a representative of the International Press Service reported the German Embassy had called in a few newspapers on August 4, 1960, for the benefit of meeting a Mr. Erwin Schulaer, the Director of the Central Headquarters of Judicial Authority for Clarification of Nazi crimes.

The press representative noted that Schulaer was working on such projects here in the United States and it was revealed at the press conference that Schulaer had found, while working in the War Records Center, the complete file relating to Eichmann's office.

According to recent newspaper accounts, Adolf Eichmann is presently in custody in Israel where he is being charged with the crime of killing 6,000,000 Jews during the Hitler regime in Germany.

That the German government has been very cooperative in the Eichmann case.

The press representative also noted that Schulaer had mentioned an organization in Israel, the Yad Vashem, which collects all available information on Nazi criminals still at large, as having a part in the locating of Eichmann.

Re: ADOLF KIECHMANN

was of the opinion that this organization had a great
dee to do with Kienemann's capture. The director of Iad Yeshem
is one Mr. Rubov (Ponomotic), the former Israeli Ambassador
to Argentina. Also, Ronie Friedeau, who was recently in the
United States, and who was said to be responsible for
Kienemann's location, was also very active in the organization
which is operated by the Jewish Agency (formerly the Jewish
Agency for Palestine).

The position of
Washington, D.C., was obtained from the June, 1950 issue of
the "Diplomatic List" published by the United States Department
of State.
