Eichmann Memoires held by "The People" published London. Stern
has only reprint rights. Tentative planning now is that story
re Eichmann conversion communism will be fed several British newspapers
in advance publication Memoires by "The People" in order build
up publication Memoires. Stern expects reprint whole story later
for German market. Final arrangements not yet completed,
still not one hundred percent certain communism item will be used,
but believes will have final details in time
alert us per RF. Presume you may wish pass above with
appropriate background.
