Re: Klaus Nikolaus Peter Eichmann
(E. 67)

The following information was obtained from confidential informant New York T-1 who is familiar with some activities in Israeli circles in the New York area.

New York T-1 advised on June 12, 1961, it was his understanding that Klaus Nikolaus Peter Eichmann, the son of Adolf Eichmann, presently on trial in Jerusalem, Israel, was in the United States, but the informant did not know his exact whereabouts.

On June 19, 1961, New York T-1 furnished a clipping from the June 2, 1961, edition of "Jewish Chronicle," a weekly publication, published in London, England, which reported an interview of Klaus Eichmann which had appeared in the "Washington Post" of Washington, D.C. Subject was quoted in this article as having stated that he was in the United States to write a book in collaboration with a Washington newspaperman. New York T-1 further advised he had learned from a source whom he declined to identify, but whom he considers to be reliable, that the subject's book would be published by Monarch Books, Incorporated, Capital Distributing Company, Capital Building, Derby, Connecticut. Monarch Books, Incorporated also maintains an office at 306 Park Avenue South, New York, New York.
