1. Returned 11 June.
2. Previously approached twice by U. S. I. S. Representative, had flatly refused discuss case.
3. Very cordial with and discussed case at length during 2 sessions totalling 8 hours. Twice appeared on point revealing identity his contact Salonica but then declined, partly because felt his contact not involved but mostly because of desire to safeguard professional contact for eventual future use. (Portion garbled being SVOB)
4. Contact apparently is communist some importance who goes Sal- onica occasionally. Apparently speaks English. [ ] was using operationally, not as source. Would seem to be through him that himself hoped visit Markos.
5. Rank is requesting drop support Donovan's recommendation to Lippmann Committee that instruct return, as soonest to give all info his possession.
