MORI DocID: 1271345

14 June 1943

MEMORANDUM FOR THE DIRECTOR OF CENTRAL INTELLIGENCE

Subject: George Folk Murder

1. On 25 May 1943 one of Athens, informed one of that he had a chance meeting on 24 May 1943 with a Communist who said he had witnessed the Folk murder. The alleged witness, a has been known to informants for approximately ten years, and ostensibly acts as a Communist courier between Athens and Salonica. Informant was unable to describe the whereabouts of this witness, and he cannot now be located by to clarify or add to the information.

2. [believe the above information to be dubious and that it cannot be relied on as a result of informant's interest in a reward offered by the Greek Government.]

Assistant Director
