MEMORANDUM FOR THE DIRECTOR OF NATIONAL INTELLIGENCE

Subject: George Folk Murder

1. Recently in Greece, and now in Turkey, is believed to hold possible clues to the Folk murder. Apparently, according to word just received from one person in Salonika, who might have put Folk in contact with Berlin, Folk's widow told him a June that she had planned to accompany Folk on the visit to Berlin, which could have been arranged.

2. On request from authority, it has been granted to proceed to Berlin for four days. Temporary duty for the purpose of interviewing. This person also possesses detailed knowledge of the Folk case. It is believed that this is a reasonably good opportunity for learning information about the Folk case which is not yet known.

Assistant Director
