SECTION E. CONTACT AND DEVELOPMENT

Subject was being considered for employment as a Training School instructor. Before employment, subject was contacted by leaders of IDEN A, to be used as a group leader of that activity. Subject was contacted by Grover T. LYTCHOTT on 26 March 1965, and instructed to remain with and report on those activities.

Subject could be passed in a secure manner to any responsible case officer, provided he were given prior instructions for turn-over details from Austin G. DETLOFF or Grover T. LYTCHOTT. DETLOFT worked with subject on occasion when LYTCHOTT was out of the Station area.

5. LIST OTHER CASE OFFICERS WHO HAVE HANDLED SUBJECT OR SHOW HE KNOWS OR HAS KNOWN, GIVE NAMES OF WHICH THEY HAVE BEEN SHOWN.

Austin G. DETLOFF - Bill
Grover T. LYTCHOTT - Walt Abeln
Subject is strongly anti-Communist. In addition he sincerely believes in a Democratic/Reform government for his homeland. He was a member of IDEN B from December 1963 until February 1965. He disassociated himself from that organization when he began to doubt the organization's ability to accomplish positive results.

Control is based upon Subject's confidence in and respect for KUBARK and the case officers with whom he has dealt. Subject would probably terminate himself from his present activities if he felt KUBARK was not the best hope for a better future for his homeland. He is strongly pro-American, and believes that when IDEN C is overthrown, the only hope for his country is through U.S. Government indirect participation in PBRUNEN affairs.

LYTHCOTT was known as Walt Abula. Subject used cover as traveling jewelry salesman.

S., and believes that with time and U. S. assistance, PBRUMEN can be solidified into a democratic, independent country.
