Available information indicates that measures taken thus far are aimed at residents of East Berlin and East Germany and not at the allied position in West Berlin or access thereto. However, limitation on travel within Berlin is a violation of the four-power status of Berlin and a flagrant violation of the right of free circulation throughout the city. Restrictions on travel between East Germany and Berlin are in direct contravention of the Four Power agreement reached at Paris on June 20, 1949. These violations of existing agreements will be the subject of vigorous protest through appropriate channels.
