Ketanch - no quick problem in establishing blockade mayries of
not OAS wants possibly if matter being taken on an
Duch lets end result be declaration war by US action
and blockade can be seen in effect. Argument 1 life 2
hangs on maintaining status quo rather than taking 1
offensive action or armsted

 Pearson - reasoning runs along similar lines. Some other
than unilateral act if declaring war needed such as OAS
UN multilateral action only differ - maybe 1
triumph in war I force not available. OAS action after
Announcement behaviour OAS alright

Hartn - U.S. could help 14 votes quickly

Wehner - formulation - "defence precaution" rather than
blockade

Schlesa - doesn't spell with view that collective action is necessary
for self-defence by one any force
