1. **General Situation.** The situation remained tense all day. Since early this morning, events moved very rapidly with the RPF taking control of the city by mid morning after the withdrawal of RPF troops from their positions overnight. It appeared by the afternoon that the RPF had actually taken up positions along a line drawn from St Michells Cathedral along Kajangazi Street to the Valley of Rugen via the O.A.U. Boulevard. Owing to restrictions imposed by the RPF, UNMOP could not enter the city center. The RPF is also reported to be conducting a house to house clearing exercise in the city center. It is reported that the RPF has also captured Butare in the South. The new SRSC arrived this afternoon from Nairobi. He inspected a guard of honor mounted by a detachment of the Ghana Battalion. He also presented UNAMIR medals to some officers and men at a short ceremony after inspecting the guard of honor.

2. **Political Activities.** The interim govt announced that the new assembly to be made up 70 members will only be temporary. They further stated that all the parties were represented except the RPF.

3. **Factional Activities.**

   A. **RPF.** The RPF took control of Kigali City and Butare early this morning after four days of intensive exchanges with the RPF. The RPF is protesting against the French decision to restrict them forward of the line Gikongoro, Migasz, and Gisenyi. They suspect that the French action is deliberate and likely to increase friction between the two factions which they interpret as an action to help the RGF. The RPF is therefore suggesting an immediate deployment of UNAMIR armed contingents to replace the French troops in order to avert any confrontations with the French. It is suspected that the RPF may announce a govt soon in view of the military victory in Kigali. They have also stated that the restrictions on the movement of UNMOP in the Mulindi area will be lifted soon. No major changes in dispositions have been reported in the North. Their morale is high in view of their military successes.

   B. **RGF.** The RGF troops pulled out from their positions in Kigali overnight. No changes are reported in their dispositions in the North. In the South they are reported to be fleeing ahead of the RPF advance towards the border with Zaire. The COS is reported to be in Gisenyi.

   C. **Militia.** Elements left the city overnight.
4. **MILITARY ACTIVITIES.**

A. **FORCE HQ.** Normal routine staff work was conducted during the period. Preparations for the expanded UNAMIR force continued. The PC held a meeting with the senior staff officers at 1200 hrs to discuss the new developments. The new SRSR Mr. Shariar M. Khan arrived this afternoon. He inspected a guard of honour mounted by a detachment of the Ghana battalion after which he presented medals to some officers and men of the force HQ. The DFC and CMO visited the troops located at KIA and Amahoro Stadium.

B. **UNMIR.** Area of operations remained calm. Conducted routine patrols. Continued to coordinate movement of UNAMIR personnel from Kigali to Kigali. 49 vehicles crossed the border into Uganda from Rwanda with 208 passengers including 37 refugees. 43 vehicles crossed into Rwanda from Uganda with 683 passengers out of which 573 were refugees. Fourteen different humanitarian agencies entered Rwanda from Uganda with various humanitarian relief items for distribution in RPF controlled areas. Three helicopters are presently operational.

C. **Ghana Batt.** Provided security at KIA, Amahoro Stadium and Force HQ. Protection and humanitarian assistance was also given to displaced persons located at the KIA and the stadium. The battalion medical officer treated 61 displaced persons.

D. **TUN-FL.** Provided security at King Faisal Hospital and Hotel Meridien. Also provided humanitarian assistance to displaced people at Hotel Meridien and King Faisal Hospital.

E. **MILOB.** Planning, coordination and the monitoring of various activities was carried out. Duties performed today are as follows:

1. Escorted MSF personnel to King Faisal Hospital.
2. Carried out escort duties from Kigali to Kagitumba and back. Also escorted logistic convoy and new SRSR to Kigali.
3. Maintaining liaison with French troops and Zairian authorities in Goma.

5. **French Coalition Forces Activities.** The MILOB liaison team in Goma received briefing this morning. They continue to carry out humanitarian duties in the western part of Rwanda. MILOB liaison team visited the installations of the French troops in Goma and observed the followings.
