SITREP COVERING PERIOD 041800Z JULY TO 050600Z JULY 94.

1. **GENEAL SITUATION**
   - The Geneal Situation was quiet in Kigali. There were no exchange of fire between the two factions in Kigali City. However, some sporadic fire were heard in the outskirts of the city. After the withdrawal of RPF troops from their positions in Kigali City, it is now believed that Kigali City is under full control of RPF. Since RPF have imposed restrictions on UNMIS move in to Kigali City, situation in Kigali is not yet clear to us.
   - It is also reported that RPF have also captured Butare in the South. The new SSGO has started his activities with UNAMIR. He will be briefed by PC, Chief of Operations, HAC and other branch heads on various aspects of UNAMIR activities later this morning. The normal escort convoy left for Kabemba this morning with personnel proceeding to Nairobi via Entebbe. EPC left for Nairobi for onward move to Bujumbura on a short leave. A platoon from Guatemalan Battalion left for Uganda to establish a transit camp at Entebbe Airport.

2. **POLITICAL ACTIVITIES**
   - The spokesman from the French Foreign Ministry has stated that Operation "Turquoise" did not need the approval of the Security Council to establish the "safe haven" areas in the western part of Rwanda. These areas will be established by the framework of the Resolution 918 of the Security Council.

3. **FRACTIONAL ACTIVITIES**

   **A. RPF**
   - It is now clear that Kigali is now under the full control of the RPF. The forces apparently taken over the city yesterday after dislodging the RGF from their remaining positions. Information also revealed that RPF have also captured Butare in the South of the country. Reports are circulating widely of RPF's intention to announce a provisional government. However, this information has not been confirmed officially by the RPF. No changes in disposition around Ruwengere.

   **B. RGF**
   - After the full out of troops from their positions in Kigali overnight, they are now reported to be located at 20 KMS North of Kigali and intend to move further North towards Ruwengere. Their intention for the future battle is not clear at this moment as UNAMIR could not establish any contact with the RGF military commanders. No changes have been reported in their dispositions in the North.

   **C. MILITIA**
   - Elements left the city overnight and many of them are arrested by the RPF.
