MEMORANDUM FOR: Richard A. Clarke ( CLARKER )

FROM: Sean J. Darragh (DARRAGH)

SUBJECT: UPDATE ON RWANDA

Marqueulis from PM said the situation on the ground appears to be getting better. 200 Rwandans have taken refuge in the Ambassador's house. 5 UN troopers are on the way to help secure his compound.

21 Americans are trapped in 7 day adventists compound in Mudende, which is north of Kigali. Amb. trying to negotiate safe route out for them. Many Rwandans killed. Apparently, the wrath of Khan is only for Rwandans.

Belgium is about to ask for formal cooperation. I don't know what that means yet. I'll let you know.

All for now
