1. There is established effective 19 February 1962 the Office of Deputy Director for Research. Certain of the activities of the Development Projects Division, DD/P, will also be transferred to DD/R. In the interest of strengthening the Agency's technical and scientific capabilities by centralizing such effort in one division, other activities in Research and Development will be placed under DD/R as appropriate.

2. Effective 19 February 1962, Dr. Herbert Scoville, Jr., is appointed Deputy Director (Research).

3. Dr. Scoville will continue to act as Assistant Director for Scientific Intelligence.
