CONGRESSIONAL RECORD — SENATE
September 30, 1986

The amendment (No. 3093) was agreed to.

Mr. THURMOND. Mr. President, I move to reconsider the vote by which the amendment was disagreed to.

Mr. BIDEN. Mr. President, I move to lay that motion on the table.

The motion to lay on the table was agreed to.

Mr. DOLE. Mr. President, a parliamentary inquiry. Does that include a technical amendment by the distinguished Senator from North Dakota, Senator Andrews?

The PRESIDING OFFICER. There is no indication that it does. The Chair is unable to tell.

Mr. DOLE. Mr. President, if I may proceed for 1 minute, there is a technical amendment in the process of being cleared. It has not been cleared thus far. We have a number of Members who are in conferences in about nine other places. I think what we ought to do is to go ahead and vote. That amendment has not been cleared. We have been waiting for 30 or 40 minutes. Perhaps we can take care of it afterward.

II

AMENDMENT NO. 3093

Mr. DOLE. Mr. President, I send a technical amendment to the desk and ask for its immediate consideration.

The PRESIDING OFFICER. Is there objection? Without objection, the amendment will be stated.

The assistant legislative clerk read as follows:

The Senator from Kansas [Mr. DOLE] proposes an amendment numbered 3093.

Mr. DOLE. I ask unanimous consent that further reading be dispensed with.

The PRESIDING OFFICER. Without objection, it is so ordered.

The amendment is as follows:

Amend section 4218(b) to read as follows:

"(b)(1) The Secretary may utilize by agreements, contracts, grants, or funds, such personnel, services, facilities, or agencies of the Federal Government, the national, State, or local governments, or any public or private entities that provide health, education, or employment services to the persons described in the Act, including the drug abuse community, the Federal Government, and public and private entities that provide health, education, or employment services to the persons described in the Act, including the drug abuse community, to which the Secretary deems appropriate; and

"(b)(3) The Secretary shall enter into agreements with respect to the provision of drug abuse treatment services to the persons described in the Act, including the drug abuse community, and shall develop a plan to ensure that all States provide such services in a manner that is consistent with the needs of the persons described in the Act, including the drug abuse community.

The Anti-Drug Abuse Act recognizes the need to decrease the demand for drugs. It increases the authorization for treatment and rehabilitation programs. It also establishes a new grant program for education programs. These, and other elements in the bill, will raise the visibility and viability of programs to educate young people to the dangers of drugs and to assist those who wish to free themselves from drugs. This is a crucial aspect of any antidrug fight.

But demand is only half of the equation. Supply must also be addressed. Illegal drug is big business. An enormous amount of money is to be made in this business, starting with the
