Attention: Mr. A. Pervez, President

Dear Mr. Pervez:

This confirms our phone conversation today. We have received verbal confirmation from Habib American Bank that a Letter of Credit has been opened in favor of Carpenter Technology in the amount of $170,000.00, L/C number HEB 115287, Habib reference number LBR/HAB/434/87. As of this morning, we have been unable to locate the Letter of Credit at Mellon East. However, in the interest of providing to you the best possible delivery, we have begun production. Our decision is taken in the good faith that the confirmed Letter of Credit document will be with us in the next few days and that it will be satisfactory to Carpenter Technology. (In the event the L/C is not satisfactory, production may be stopped, pending resolution of L/C details).

At this time, we plan to make the first shipment on Friday, July 10, 1987, and we invite you to visit us that day to inspect the initial shipment. We invite Mr. Inam and Mr. Pasha to also join us on this day. As you may know, there is direct air service to Philadelphia from London Heathrow on British Airways Flight #215 (Departs London 12:15 p.m. - arrives in Philadelphia 4:20 p.m.). Our driver can meet you and your colleagues in Philadelphia and bring you to Reading where we can inspect the initial shipment and have dinner. On Saturday morning, we will arrange a comprehensive tour of our complete facility and can discuss future opportunities for Pakistan.

Sincerely yours,

Re: Our Telephone Conversation of Thursday, May 21, 1987

Dear Mr. Pervez:

Confirming our phone conversation, we have reserved production time on our mill which would provide a mid-July delivery time for your Maraging requirements. At this time, we need to commence production as soon as possible in order to hold this schedule. I have left a message for Al Tomley indicating that you would be in touch with him mid-next week to discuss the remaining details relating to the Letter of Credit.

During our conversation, you indicated that A.P. Enterprises might prefer to use certified checks in place of an Irrevocable Letter of Credit. We advise that this would be acceptable to Carpenter with 50% by certified check at time of order commencement and 50% by post-dated certified check (to be submitted at time of entry).

We wish to confirm our invitation to you, Mr. Walker and Mr. Inam to visit our facilities in July to inspect the material and our facilities.

We also confirm that the commission to A.P. Enterprises would be considered as earned and payable upon completion of the order.

Very truly yours,
