Re: Allen W. Dulles
biography project

IPD Registry

FOIA-0985

Dear Mr. Wright:

As part of my research on a biography of Allen W. Dulles to be published in 1993, could your office please provide me with copies of the following list of documents under the provisions of the Freedom of Information Act.

First, I request a copy of the CIA Historical Office's biography project volume: "Allen Welsh Dulles, Director of Central Intelligence," by Wayne Jackson. I understand this portion of the Agency's history series has not been declassified but quite a length of time has elapsed since it was put into the declassification process and it would be an invaluable tool in insuring the accuracy of my reporting on that period of his life.

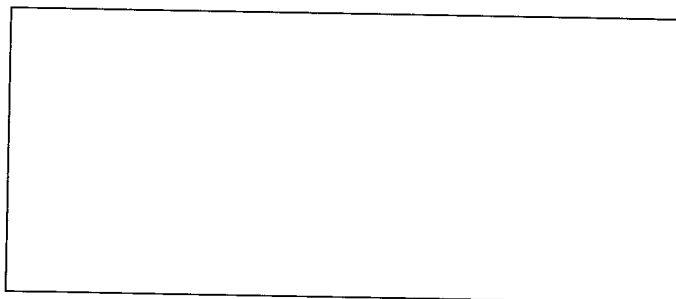

Second, I enclose itemized requests from pertaining to Mr. Dulles's career with OSS and as DCI of your agency. For convenience, I have arranged them in sets of ten requested items each.

Third, would you please provide me with copies of other documents which pertain to Allen W. Dulles which previously have been provided to members of the public under the FOIA. Finally, I would be grateful if you would please consider the importance of my project to the overall public understanding of the CIA, and waive the cost of document copying.

If you have any questions, please call me. Thank you for your consideration.
