VIA FACSIMILE

Dear Ms. Jensen,

Pursuant to the Freedom of Information Act, I would like to request records associated with NSF grant award number 9983403, the Yale VIGRE Program in Mathematics and Applied Mathematics. In particular, I seek:

- Any reports or other documentation of site visits to Yale University regarding this grant made between June 1, 2000 and April 30, 2004.
- Any communications between NSF and Yale University regarding women undergraduate students, graduate students, post-docs, professors, or other academic employees in the programs of study for mathematics and applied mathematics.
- Any communications between NSF and Yale University regarding recruitment, enrollment, retention, or participation of women in the programs in mathematics and applied mathematics.
- Any final report at the termination of the grant generated either by Yale University or by NSF.

I am willing to pay up to \$50 to obtain these documents.

This information are not being requested for a commercial use.

Thank you.

Sincerely,

Rose K. Murphy
