John W. Wright, IPD Coordinator
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Wright:

Under the provisions of the Freedom of Information Act, 5 U.S.C. 552, I am requesting access to any and all records and correspondence pertaining to James Howard Guerin, born 6/9/30 in Morristown, N.J.; his former company, International Signal & Control Corp., London-based Electronics Systems International, known as ESI and any other US or international entities connected with Mr. Guerin.

Please supply the records without informing me if the fees do not exceed \$300.

As you know, the Act permits you to reduce or waive the fees when the release of the information is considered as "primarily benefiting the public." I believe that this request fits that category and therefore ask that you wave any fees.

If all or any part of this request is denied, please cite the specific exemption(s) which you think justifies your refusal to release the information and inform me of your agency's administrative appeal procedures available to me under the law.

I would appreciate your handling this request as quickly as possible, and I look forward to hearing from you within 10 working days, as the law stipulates.

Sincerely,

Staff Writer
