Eichmann Protest Due

BUENOS AIRES, June 1
(AP)—Foreign Minister Diogenes Taborda indicated tonight that Argentina will file a formal protest to Israel if it is proved that Adolf Eichmann was kidnaped in Argentina. Eichmann, accused of major responsibility for the deaths of 6 million Jews, now is being held in Israel. Israeli authorities have not said where or when he was seized, but informants here say he was seized by secret agents in Argentina last month and taken by plane to Israel.
