1. ~~CONFIDENTIAL~~ ENTIRE TEXT  
2. Mr. Secretary, your attendance at proposed CADC meeting in Bogota would give that institution an enormous boost. It would also help them and their friends sort out the best possible public and private positions to take in light of the various negotiating plans for Salvador and Nicaragua which have been floating around lately. Finally, your attendance would ~~be~~ provide an opportunity to show solidarity with countries most immediately affected by Cuban/Nicaraguan policies at a very early moment after the Salvadoran elections.
