A cabinet-level visit to Tegucigalpa at this time would be welcome encouragement to GOH in wake of completion of first full year of democratic rule (January 27) and as follow-up to President Reagan's stop in San Pedro Sula in December. It would also be useful opportunity for you to get first-hand view of local conditions and discuss regional issues with host government and Embassy. Also, I am certain GOH would welcome opportunity to compare notes on UN strategy, including Nicaragua Security Council seat,
