2. I lunched with Doctor Suazo at noon November 24. After reflecting on matters overnight, he expressed understanding for our desire to hold meetings in San Pedro Sula. He was obviously somewhat disappointed that meeting would not take place in Tegucigalpa, especially after White House spokesman had so announced on November 19.

3. As regards participation in bilateral, Suazo is thinking in terms of six Hondurans including himself. Others would be Minister of Presidency Carlos Flores, Foreign Minister Edgardo /Paz Barnica, Finance Minister Arturo ~~Corleto~~ ^{Corleto}, President of Congress Efrain Bu Giron, and Armed Forces Commander General Gustavo Alvarez.

4. Since there is going to be a blank spot in President Suazo's schedule while President Reagan is meeting with Rios Montt, one thought which has occurred to us is for Suazo to sign a 'pending' A.I.D. agreement with AID Administrator McPherson. This could also provide useful photo and press coverage opportunity during course of Reagan/Rios Montt bilateral. I raised this idea informally with Doctor Suazo at lunch, and he seemed to think it had merit.

5. On Rios Montt, Honduran Presidency assures me that invitation has in fact been extended to Guatemalans.
