Suazo is still in La Paz and will be returning morning November 23.</p> <p>3. Suazo assured me invitation would be no problem and that he expected to send Rios Montt personal message on November 23 November 23. I told Suazo that reason for my calling again was press report from Guatemala City to effect that Rios Montt had not yet received invitation and given fact that his visit here is now public knowledge, matter of invitation had taken on added urgency.</p> | | |
