[REDACTED]

-- Status of Ollie's Ship. Ollie has offered the use of a Danish vessel for [REDACTED]. He first offered CIA a six month lease. CIA told me that they thought it was too expensive, and the cost and time involved in refitting the vessel for a [REDACTED] mission made the alternative option of outfitting a CIA owned vessel more attractive. Ollie then offered to take [REDACTED]

[REDACTED] from his vessel, using his own resources. [REDACTED] has told me that because of the alleged involvement of one Tom Clines (who was involved in Wilson and Terpil era), CIA will have nothing to do with the ship. Frankly, I can't tell whether this is just a convenient reason not to do what CIA was opposed to doing in the first place, or whether the concern about Cline is legitimate. In any event, Casey has a briefing paper on this which he will use if the subject is raised.
