Eventually other people could be asked if considered necessary

Envelope contents:

1. Text of the Charter 77 statement
2. Sample of signature card
3. signature cards

1. Instead of the attached signature card sample, it would be naturally more suitable to show the signatories their own signature card—modified according to the sample
2. Please bring back the text of the statement and signatures on Wednesday December 29, 1977
3. Information for PK [Pavel Kohut]: on Wed Dec 29, 4pm, the meeting of spokespersons will take place plus PK, and eventually Zdenek Mlynar will count and check signatures. Signatures will be divided into two parts. Everything will be prepared in the afternoon.
4. All signatories will get a text of the statement with the complete list of signatures after the publication of the statement. For the time being I am asking you not to distribute this statement and not to leave it anywhere.
