WASHINGTON

June 11, 2003

MEMORANDUM FOR THE CHIEF OF STAFF

THROUGH: JOHN HANNAH DA
ACTING PRINCIPAL DEPUTY ASSISTANT

FROM: BETTINA ROUNDEY GA- 57
SPECIAL ADVISOR

SUBJECT: INFORMATION: DC ON INDONESIA, JUNE 11, 2003 (12:00 - 12:45 P.M.)

The purpose of this meeting is to discuss the policy implications of the developments in Indonesia, particularly the allegation of a possible military role in the Timika Case killing of two Americans in Papua (the so-called Timika case), the breakdown of the peace process and the onset of the military conflict in Aceh, and the crackdown on alleged separatists in Papua.

- Attached are two documents to facilitate discussion: the NSC's paper (with agenda, background, and policy questions) and an Embassy Jakarta cable with Ambassador Boyce's input for the Deputies' consideration.

The meeting will essentially have three main components: an overview of the policy issues by the PCC Chair, updates by the Agency and Justice on the current situation and the status of investigations, and policy recommendations.

Overview of Policy Issues: The NSC's front office recently issued guidance that DCs should start with an overview of policy issues by the PCC Chair, which we think is a good starting point for any DC. However, there have not been any sub-PCC or PCC meetings in the run-up to this particular DC.

- It would be useful to ask the PCC Chair whether the policy issues he/she outlines is the result of interagency meetings.

Policy Recommendations: The NSC paper and the Embassy cable both raise various policy options. On these options:

Analysis of four policy options for dealing with Indonesian leaders and the Indonesian military.

Looking Ahead: Because this issue was not worked at the sub-PCC or PCC level, we believe that the Deputies should instruct the PCC to actually meet to examine policy measures to put pressure on the Megawati government and/or the Indonesian military directly.

Issues relating to future policy of the United States government toward Indonesian leaders and the Indonesian military.
