~~Jan - Reynolds, Shelby, HAK~~

~~10/7 77 - Other A sources~~

~~424 - She took it out / DR?~~

~~W.A. 7-11~~

~~Mags - Doug Wilson - VP trunk
on record?~~

~~on record @~~

~~pm Rick briefing~~

Lead @ me of trying to
accy the firm Niger

on
record

As part of regular briefing
process V.P. asked for some
implications of note?

During course of yr V.P. asks
money ques. Legu responded
w/in a day or two.

Said they had report's suggesting
parity of such a transaction
but report's lacked details. Pointed out
Tracy already had 500 tons of yellowcake
portion of which come from Niger, already to SHEP

VP copy awareness of Tony Wilson
~~did not know anything~~
trip & didn't know @ it until
the yr when became public
after SDTU.

Deep background

• Only written record of Utorn
trip included "I that from
P.M. of Niger says he had
been approached by
Drogi officials in what he believed
& he in effort to say more
was in 1999.

- D.A. not see until recently.
- Von WIS last fall, which
I felt to be authoritative.

Deep background as Admin
Official give straight report
on WIS
WIS not report said
reignously personal
