

SUBJECT: Sensitive Activities Performed by the Office of Logistics

6. In connection with the responsibility held by this Office, the following information is relevant.

a. A safe site, identified as _____ which is _____ was made available to General Cushman's office on 23 July 1971.

The subject safe site was acquired on 15 June 1970, as a replacement and in keeping with the approved requirement.

The apartment has one bedroom and is located in an older high-rise building.

The original lease term was for a 1-year period, 15 June 1970 to 14 June 1971, with month-to-month renewals thereafter.

Control of the safe site and its security is the responsibility of this Office.

Such information is maintained by the operating component requesting the safe site. Records maintained by this Office disclose only that the apartment involved was made available to General Cushman's office on 23 July 1971 in answer to a telephonic request.

b. This Office is aware, although it had no cognizance nor responsibility, that an apartment was rented in ~~Miami Beach, Florida~~ during the period of ~~the Democratic National Convention, 10-14 July 1972, and the Republican National Convention, 21-24 August 1972.~~ The apartment was used as a meeting place for officers of the _____ who were in liaison with members of the Secret Service and rendering

SUBJECT: Sensitive Activities Performed by the Office of
Logistics

assistance in connection with the political conventions
that were being held. is the cognizant
operating component on this matter.

7. The above recitation of facts represents, to the best
of my knowledge and memory, those matters which appear to be
relevant to subject tasking given by the Director.

Signed: John F. Blake
John F. Blake
Director of Logistics
