COMMENT

[redacted] does not maintain direct contact or liaison with any law enforcement organization, local or federal, at home or abroad. When the need arises, such contact is sometimes made on our behalf by [redacted]

[redacted] has such contacts at home and abroad because of the nature of its activities (training of foreign police/security personnel at home and abroad), and its Public Safety programs around the world. [redacted] has such contacts at home - local and federal level because its personnel are personally acquainted with law enforcement officers throughout the United States. Members of the [redacted] [redacted] have appeared as guest lecturers at such federal institutions as the U.S. Park Police, IPA; the U.S. Secret Service, and the U.S. Treasury Enforcement Division.

3. In addition to the liaison mentioned in the previous paragraph, the Agency maintains liaison in varying degrees with foreign police/security organizations through its field stations. The existence and extent thereof, however, is a decision to be made by the Area Division, and is not the responsibility of [redacted]

4. [redacted] with Dan Mitrione, who was murdered by the Tupamaros. Dan Mitrione, an experienced and respected law enforcement officer, was a bona fide OPS/AID officer assigned to the AID mission in Uruguay, and was never a CIA employee or agent.

MEMORANDUM FOR: Deputy Director for Operations

SUBJECT : Joint CIA/USAID Terrorist (Technical)
Investigations Course #7 (English language)
CI Staff's Project [redacted]

1. This effort is a joint CIA/USAID training program for foreign police/security personnel. The initial phase of the training will be conducted at the International Police Academy (IPA), Washington, D.C. during the period 2-27 April 1973. The following subject matter is covered in this phase of the training: investigative techniques, collection and preservation of evidence, records, files, and reporting, gathering of information on terrorist groups and their activities, a student seminar devoted to discussions on terrorist and other hostile activities currently existing in their respective countries, etc. This phase of the training is concluded by a two day orientation by the Bomb Squad of the Dade County Police Department in Florida.

2. The second phase of this training will be conducted by Agency [redacted]

[redacted] during 30 April - 25 May 1973.

The [redacted] technicians utilize [redacted] cover. The objective of this phase of the training is to develop individual student technical capability to realistically conduct investigations into known or suspected incidents of sabotage/terrorist bombings by:

- a. Providing trainees with basic knowledge in the uses of commercial and military demolitions and incendiaries as they may be applied in terrorism and industrial sabotage operations.
- b. Introducing the trainees to commercially available materials and home laboratory techniques likely to be used in the manufacture of explosives and incendiaries by terrorists or saboteurs.

- c. Familiarizing the trainees with the concept of target analysis and operational planning that a saboteur or terrorist must employ.
- d. Introducing the trainees to booby trapping devices and techniques giving practical experience with both manufactured and improvised devices through actual fabrication. Emphasize the necessity of alertness for detecting and countering booby traps placed by saboteurs or terrorists.
- e. Conducting several field exercises to give each trainee the opportunity for detecting and neutralizing various explosive and incendiary devices likely to be used by terrorists or saboteurs, including letter bombs, packages, attache cases, etc.
- f. Conducting several investigative field exercises of explosive incidents to alert the trainee to the need for and manner in which to collect, identify, and preserve legally admissible evidence for prosecutive action.

3. The program provides the trainees with ample opportunity to develop basic familiarity and use proficiently through handling, preparing and applying the various explosive charges, incendiary agents, terrorist devices and sabotage techniques. USAID, International Police Academy (IPA) has received reports from former foreign police/security personnel who participated in the program indicating that they were called upon to utilize the skills they acquired through this training in the handling of explosive devices in their respective country. Attached is a letter from a participant in TIC #6 [redacted] stating that he deactivated a letter bomb device which was sent to the [redacted] Embassy in [redacted].

4. Subject course will have 26 participants from ten (10) foreign countries. Nine (9) are financed by AID, eight (8) by CIA and nine (9) by their own governments.
