NEW YORK  
June 9th, 1953

Dear Mr. [redacted]

APPROVED FOR RELEASE  
Date *27 April 1978*

(2)

The other people I knew I cannot vouch for one way or the other,  
but I append a list, in case it might be of any interest to you. He was fired  
for protesting that CBS correspondent George Polk was not murdered by the  
Communists, but by the Athens government. He was, unfortunately, quite correct.  
Polk was not the kind of man whom the Communists would have murdered.  
is a good friend of mine.

Very Sincerely yours,
