FROM : MIO

SUBJECT : REPORT ON MEETING WITH INFORMANT AT 10 1900 Feb

1. A member of INTERHAMWHE was caught a week ago by Gendarmerie while, being drunk, he was firing into the air with his weapon. This occurred in GITIKINYONI (# 0285); after intervention of our informant and the COS of Gendarmerie the weapon was given back to INTERHAMWHE.

In BUTAMWA (# 0276) communal police did a search in a house of an INTERHAMWHE member and found a GUN. The man in the house was imprisoned in KIGALI prison and the weapon handed over to the judiciary authorities (parquet de KIGALI) before COS of Gendarmerie and our informant were able to claim for it at the Communal office.

Even then the mayor (MDR partisan) refused to hand over any information in this matter. This incident should have been mentioned in a local newspaper (= IMAHO[?])

As INTERHAMWHE wants to recover the weapon they are planning a raid on the Communal office of BUTAMWA...(night of Friday, Saturday or Sunday)

2. A question was asked to crosscheck the information we had on training in or by ISRAEL of some INTERHAMWHE people. He said: Nobody went to ISRAEL for training purposes, but he admitted that 122 of them were trained by ISRAEL people in the forest of NYUNGWE and GISHWATI (4 died already in different incidents or due to the war, 3 died by AIDS and 2 are in FRANCE for studies)

3. He said that the grenade attack at KIGALI Sect HQ was done by mr MUHUTU, working at ELECTROGAZ, belonging to CDR. The reason is that it is to intimidate the BELGIANS after the incident with the (CDR) political adviser at Ministry of Foreign Affairs (this is also in accord to their position token before the BE contingent arrived in RWANDA)

4. He stated that UNAMIR is renting houses and vehicles mainly belonging to TUTSI people, why?

5. The grenade attack on Maj KAMANZI (RPF LO) on 29 Jan 94 was commended and executed by MRND. The place where this happened was in front of the house of the Chef de Cellule MRND in KACYIRU (the man works at the Social Security in the Buildings of the Ministry of JUSTICE in the ministry area in KACYIRU)[he is supposed to have at least 60 weapons in his compound]

6. Our informant said that he was threatened by Col NTIWIRAGABA (G2 RGF); he accuses him having voluntarily scheduled to less attacks on TUTSI people before INTERHAMWHE decided to reduce their actions. What the caches of their "stolen" uniforms is concerned he says, that they have some indices but no searches were carried up till now.

7. HE is planned to go to NGABADOLITE (presidential village of MOBUTU) for a two month training period (TBC, no details as yet)
