Time: 8:54 p.m.

K: We have moved five AF people today.

S: Five?

K: Yes. The Director of the office, the Deputy director, the alternate director and the office chief.

S: I must say Hallaluhah (sp). That is not a bad days work. I think it will get a message across.

K: I am going to stiffen them all before I am through.

S: I think you should tell Con and the President tomorrow at the meeting.

K: It will at least be a new cast of characters that leaks on Angola.

S: (Laughter) Did you have any strong resistance to it?

K: I kept only one man under certification from Larry that he is a hog.

S: Good work.

K: O.K.
