APPEALS PANEL ACTION: RELEASED IN FULL

TELCON
Gen. Scowcroft
Sec. Kissinger
Dec. 22, 1975
2:40 p.m.

K: Do I have to go the G-D drug meeting.

S: Cannon wants you there very badly.

K: Who the hell is he?

S: He is Assistant to the President for Domestic Affairs. He wants you there cosmetically because they are upset. They think in the foreign affairs area that we don't pay any attention.

K: Of course. We are too busy selling the country out to the Russians.

S: It would be a nice gesture if you could come even if you don't say anything.

K: How long will it last?

S: It is supposed to last 30 minutes. Rangle just got back from a trip to Mexico and he is upset that the Mexicans are not doing anything.

K: Let's cut off aid, arms or something.

S: (Chuckle) If you can it would really be a nice gesture.

K: My problem is I want to have a meeting on Angola today. I have to see the President at sometime.

S: Hyland is having a meeting on Angola with the inter-agency bunch today.

K: What we need is that Hyland Group -- that is sort of a strategy--a sort of tactic group.

S: Management.

K: The next time I have a meeting on strategy I will invite other agencies too.

S: That would be a great idea. That would be a great idea.

K: I will try to do that at 6:00 tonight.

S: O.K.. I will tell Hyland.

2.

K: Except I have an appointment -- maybe I could see the President for 15 minutes after the drug meeting. Tell him I need 10 minutes with him and then I don't have to come back over.

S: I will go do that now.
